

BACHELOR *of* SCIENCE

HUMAN RELATIONS AND BUSINESS

Program Overview

Students pursuing a Bachelor of Science in Human Relations and Business will be provided an interdisciplinary education that seamlessly integrates business administrative skills with effective communication and human relations abilities. The broad-based curriculum combines knowledge from the areas of business, human behavior and communication in order to effectively engage, lead, and communicate with others. Students graduating with this degree are prepared for a wide range of careers requiring human relations and business expertise along with proficiency in communication. This degree is offered both in the classroom lecture and distance learning modes. Additionally, students may earn one or more certifications offered by Amberton while pursuing this degree.
