

MASTER of SCIENCE

HUMAN RELATIONS AND BUSINESS

Program Overview

Learn the art of leading people while also balancing the demands of business with the Master of Science in Human Relations & Business. This interdisciplinary program utilizes an adaptable curriculum that draws from the fields of business, communications, human development, counseling, and human resources and training. Graduates will fill professional roles requiring expertise in business and human relations skills such as healthcare, communications, human resources, education, and training. This degree is offered both in the classroom lecture and distance learning modes. Additionally, students may earn one or more certifications offered by Amberton while pursuing this degree.
