

MASTER *of* ARTS

PROFESSIONAL DEVELOPMENT

Program Overview

If you prefer to choose your own specialization, then the Master of Arts in Professional Development is for you. This program provides a broad-based, interdisciplinary curriculum from the fields of business, communication, counseling, human behavior, and human resources and training to match the constantly evolving learning curve found in today's professional marketplace. Students may take the opportunity of designing an interdisciplinary program of study that brings fields of inquiry together in unique combinations not otherwise offered as a program at the University. Graduates will use their distinctive expertise in a wide range of careers including management, team leadership, communication, and social sciences. This degree is offered both in the classroom lecture and distance learning modes. Additionally, students may earn one or more certifications offered by Amberton while pursuing this degree.
