

MASTER of BUSINESS ADMINISTRATION

ENTREPRENEURSHIP

Program Overview

The Master of Business Administration in Entrepreneurship degree is ideal for individuals who have the desire to start or grow a new business. In this program, students will learn the business and management components of Entrepreneurship. The mission of the Master of Business Administration in Entrepreneurship program is to prepare students to launch and succeed in a new business venture. This program will provide a curriculum that focuses on research and application of business tools needed for a new enterprise. The program concentrates on educating students on the concepts of accounting, economics, finance, marketing, management, communications, business regulations, critical thinking, analysis, and forecasting. This program is offered 100% online.
