GENERAL INFORMATION

CLASS TIMES AND COURSE INFORMATION

DISTANCE LEARNING

Amberton's distance learning courses are identical to classroom courses in terms of learning outcomes, competencies, and instructor expectations. A student choosing to take a distance learning course must have Internet access and be competent in using e-mail and a browser. Students interested in enrolling in Distance Learning Courses must review the course syllabus before enrolling. For more information, see the University's catalog or the Distance Learning section on the website (www.Amberton.edu).

The Student Portal provides University students with access to many different educational tools and technologies to enhance their learning experience. These tools include access to an email system, research resources, course management system, and academic and financial information. Many of these tools allow students and faculty the opportunity to work together on completing various academic requirements. Additional information on the Student Portal is available on the University's website, www.Amberton.edu. A login link is also provided in the top right corner of the website.

COURSE SYLLABI

The course syllabi are accessible for downloading and printing in the Course Guide provided on the University's website, www.Amberton.edu under 'Programs and Courses.' Search for the course (i.e., CSL6803) and then click on the course in the listing. The syllabi are included with each course listed in the Course Guide below the course description and competencies. Students can use any available computer to print out course syllabi, including the systems in the Computer Labs located in the Garland Campus Learning Resource Center and at the Frisco Center. A student should not register for a course before reading the syllabus. If you need assistance, please contact a Student Advisor at Advisor@Amberton.edu or StudentServices@Amberton.edu or at (972) 279-6511.

THE ELECTRONIC DEGREE PLAN

Students can have Amberton University transcribed work and all transfer work electronically evaluated against any degree in the University's Catalog. The Electronic Degree Plan (EDP) produces a printout of satisfied degree requirements as well as requirements that may be deficient relative to the degree selected. The EDP allows a student to compare his/her academic accomplishments against any or all degrees in the catalog. The EDP analyzes a student's records and provides a printed report. See a University advisor for further information on obtaining an EDP.

INCLEMENT WEATHER

The University will not broadcast class closings over radio or television. However, the University will announce any closing over its website. Usually, such an announcement will come no later than four hours in advance of the beginning of classes. For the most part, the University does not close unless conditions are extremely hazardous.

TELEPHONE NUMBERS

Amberton University has an automated telephone system that expedites calls and allows message recording and retrieval 24 hours a day. If you know the extension, dial the extension when prompted. If the extension is not known, dial 0 for the operator. For an emergency, call 0 for the operator. Listed below are the most often requested numbers:

PAYMENT TERMS

Amberton University's tuition is among the lowest in the region. The tuition rate is the same regardless of academic level or method of delivery (lecture or distance learning). Amberton does not charge a different tuition rate for out-of-state students.

Payment plans are available to students who demonstrate financial integrity to the satisfaction of the University. Students have the option of paying for their courses at enrollment, making payments throughout the session, or making one payment by the last day of the session. The University is also approved for Title IV Financial Aid and select private educational loans. Employer tuition assistance plans are accepted, with proper documentation. Student accounts are subject to a monthly finance charge of $\frac{3}{4}$ of 1%. Please visit www.Amberton.edu for more information.

Payments can be made in the form of cash, credit cards (VISA, MasterCard, Discover Card, and American Express only), money orders, personal checks, company checks or cashier's checks. All payments submitted to the University must be received in U.S. funds.

REFUND POLICY AND SCHEDULE

A student who officially drops a class during the first week of the session will be entitled to a full refund of tuition. Please read the current catalog for a complete discussion of the Refund Policy. A student who drops a class during this session will be refunded on the following schedule:

DATES	REFUND%
06/10/23 through 06/17/23	100%
06/18/23 through 06/24/23	80%
06/25/23 through 07/01/23	60%
07/02/23 through 07/08/23	40%
07/09/23 through 07/15/23	20%

There is no refund after **07/15/23**. The refund schedule is based on the beginning date of the session. Late registration and/or class absences are not considered exceptions to the refund policy. In the event a refund results in a credit balance on the student's account, the credit balance will remain on file until the student notifies the Business Office—in writing—of its disposition. Credit balances remaining on an account for a period of over 60 days will incur a maintenance fee. Refunds originating from a credit card payment may be credited only to the credit card account.

ADDING OR DROPPING A COURSE (CLASS CHANGES OR WITHDRAWALS)

During the registration period, available courses can be added to your schedule or dropped from your schedule through the online registration portal (link on website and Student Portal). **To be official, when a schedule change is requested in the online registration portal, the 'Submit' button must be clicked. If the change is not submitted, your request(s) will not be processed and any pending class changes will be removed from the system after 48 hours and not processed by the University.**

Complete withdrawals from a session cannot be submitted online. All complete withdrawals must submit the 'Request for Change of Schedule' form available in the Schedule of Classes and on the University's website. A written notice including the student's name and signature, ID number, and course(s) to be changed can be submitted in place of the Change of Schedule Form. The notice may

be submitted in a Student Services Office, mailed to the University, faxed **(972-279-9773)** or emailed **(busoffice@Amberton.edu)**.

Once the registration period has concluded, all course withdrawals must be submitted in writing, no classes can be withdrawn from through the online portal. **NO change is accepted verbally.** The official date of the change is the date the University formally receives the written notice, NOT the postmark date or the date stated in the notice. The University's record concerning a change is indisputable unless the student can provide reliable evidence of an earlier receipt date.

Confirmation of the class change can be viewed in the online registration portal under the 'My Schedule' link once the University has processed the request or in the Student Services Online system inside the Student Portal. In the event the student does not see the course change within 3 working days, the student is to contact the University.

- B. **Have successfully completed academic work from an accredited college or university,**
AND
- C. **Are in good standing from the last institution attended**
OR
- D. **Are a returning student after three years absence.**

Complete the online application by clicking on the 'Apply Now button' on the University's website, www.Amberton.edu. A paper admission application can also be faxed, mailed or hand delivered to the University. No admission fee is required. Please note: Due to program delivery methods, not all degree programs are available to International students with F-1 status. Please consult with international student advisors prior to applying for admission. Because the admission application requires a social security number, please do not submit the application by email.

If you are applying for admission to pursue a Master of Arts School Counseling degree, you must also complete the School Counselor Certification Program Application which is available on the University's website, www.Amberton.edu, under 'Forms & Publications'. You must be admitted to the University and be formally accepted into the School Counselor Certification program prior to taking courses applicable to the degree.

International students should review the International Student Admission Requirements before applying for admission. The requirements are located on the University's website, www.Amberton.edu, and in the University's Catalog. If you have any questions, please contact a Student Advisor. **International students must complete a paper admission application.**

Students applying online will receive an email notifying them of their admission status. Within a week, you will also receive a letter confirming this status along with your student identification number

and additional information. Once you are admitted, you may register online for the upcoming session during open enrollment periods. Refer to the Registration Instructions on page 24 for assistance. Also, please email student advisors at Advisor@Amberton.edu, if you need any help with accessing syllabi, selecting courses, or registering for classes.

STEP TWO:

If you have not already done so, order and provide official transcripts from colleges and universities previously attended. Transcript request forms are provided for your convenience online and in the Student Services Offices. You can visit https://www.amberton.edu/media/Forms/Transcript_Other_School.pdf to "Request Transcripts from Other Institutions". As transcripts are received, they will be evaluated. A TCR for each transcript evaluated is accessible through the Student Portal. TCR's are used in the preparation of your degree plan. If you have any questions regarding your TCR, please email Advisor@amberton.edu.

Graduate students who have completed a standard graduate entrance examination (GRE, GMAT, MAT) in the last six years may want to provide an official copy of their scores (not required).

REGISTRATION INSTRUCTIONS

STEP ONE:

Review your degree plan, required courses, and the Schedule of Classes for available courses prior to enrolling. Review the syllabi for selected course(s). They are available on the University's website, www.Amberton.edu, under 'Programs and Courses' and the Course Guide. Search for a specific course (i.e., CSL6800, RGS6035, etc.) and review the session's course syllabus.

STEP TWO:

Registration can be submitted through the University's online registration portal. Online registration is a one-step registration process. Once submitted online, your registration is completed and finalized. **There are no forms to sign and return to the University. If you will be paying in full for your charges and not deferring payment, the full payment is due before June 08, 2023.**

Detailed step-by-step instructions are available on the University's website, www.Amberton.edu, by clicking on the 'Register Online' button when registration opens and under the 'Forms & Publications' section of the website. These instructions provide information on how to access the online registration portal, how to enroll in courses, and FAQs.

If you have a restriction on your account that prohibits online registration, please contact a Student Advisor at (972) 279-6511 option # 4 or Advisor@Amberton.edu for the paperwork and steps to complete an alternative enrollment.

 - a. Undergraduate 12 hours
 - b. Graduate 9 hours
2. If a course has a stated prerequisite in the University's Catalog, you must have completed the prerequisite for a course or be currently enrolled in the prerequisite course before you can register for the course.
3. Remember to click the 'Submit' button when registering online in order to submit your enrollment for processing. Any pending registration request will be cancelled and removed from the system after 48 hours.
4. Students registering for online courses follow the same procedures stated above. Access to course information is available on the first day of the session.
5. Students who do not complete the registration process before the first day of the session may enroll during Late Registration. A \$ 25.00 late fee is applied and enrollment is limited to available online courses and lecture courses which have not met.
