Indicator Definition and How it was Calculated:

Persistence is defined by percent of new students who enrolled in at least one of the next two sessions after their initial enrollment in the 2021 calendar year.

Retention is defined by percent of new students who enrolled in the next calendar year after their initial enrollment.

Graduation rate is defined by the number of 2013/2014 new students who completed their degree (BBA/PM or MBA/PM) with Amberton within 8 years.
