

## ***APPLICATION FOR GRADUATION***

**Please Read carefully and complete all requested information. An incomplete application will not be processed.**

In order to be considered as a candidate for graduation, the applicant must complete the Graduation Application Form **and** Survey and return them to the University along with the appropriate Graduation Assessment Fee. Once the form has been received and all the fees paid, the student will receive the following information:

- 1) Academic transcript of Amberton University work (for student use, not an official transcript).
- 2) Transfer of Credit Report reflecting all work accepted in transfer.
- 3) Degree Plan.

The applicant must carefully review all academic records for accuracy and completeness. Immediately report any discrepancies to the Registrar. The graduate is solely responsible for satisfying all graduation requirements. Advisors are available in the Student Services Office to assist you if needed.

Four times a year--August, November, February and May,-- the faculty and administration of Amberton University authorize the awarding of degrees to students who have satisfactorily completed (1) all requirements for the degree requested and who have (2) satisfied all obligations (financial, etc.) to the University.

Within a week of completing the degree and meeting institutional obligations, the degree earned will be posted on an official academic transcript maintained by the University. The official academic transcript of a graduate remains the property of Amberton University in perpetuity.

Within six (6) weeks the applicant will receive recognition as an "Honored Graduate" and the recipient will be presented a custom printed diploma as evidence of the applicant's induction into the Alumni Association of Amberton graduates.

If the graduate prefers not to personally pick-up his/her graduation diploma, the graduate may request that the University mail the diploma to the address noted on the application form. There will be a \$10.00 handling fee for mailing.

A non-refundable graduation assessment fee of **\$125.00 must** accompany this application for graduation **or** be submitted online. Once filed, the applicant must complete all requirements for the degree and fulfill all institutional obligations within one (1) year of filing. If an applicant does not complete the graduation process within one year of filing, the application will be destroyed and the applicant will have to file again and pay all graduation fees then applicable.

**Carefully complete the attached *Application for Graduation and Graduate Survey*. Return both items, with your graduation assessment fee (\$125.00 and \$10.00 mailing fee if applicable) to the Student Services Office ([Advisor@Amberton.edu](mailto:Advisor@Amberton.edu)).**

***NOTE: Information on the Graduation Ceremony and the fees associated with ordering regalia will be sent out at a later date. The Graduation Assessment Fee does not include the cost of regalia. Attendance at the Graduation Ceremony is not mandatory.***
