

# BACHELOR of SCIENCE APPLIED STUDIES

## Program Overview

The Bachelor of Science degree in Applied Studies is available to transfer students who have completed a block of twenty-one (21) semester hours in a designated field of study. Students must complete twenty-seven (27) semester hours from the disciplines of Business Administration, Human Behavior and Development or Communication at the 3000/4000 levels. This degree enables students to combine a concentration of lower-level coursework with the upper-level university credits in three designated areas resulting in an application oriented degree program. The program is offered through a combination of on-campus and online courses or 100% online. The mission of the Bachelor of Science in Applied Studies program is designed to enable the adult student who has a concentrated block of hours in a specific field of study but has not completed the requirements to complete a degree by providing the cognitive and technical skills of effective communication, business administration, human behavior and development, problem solving, and decision-making necessary to remain relevant in the workplace.
