

## Graduate Certificate **EXECUTIVE LEADERSHIP**

### Certificate Overview

The Certificate programs at Amberton are aimed at individuals who want to build upon existing skills or experience and give themselves an extra boost toward landing a specific type of job or promotion. This certificate focuses on key leadership values and functions, such as credibility, integrity, management team development, goal setting, motivation, innovation, and vision. Leaders with these skills are better equipped to accomplish remarkable things in virtually any organizational environment. Students who engage with this leadership training program, especially in conjunction with Amberton's professional development and human relations programs, will be prepared to take on high-level leadership positions in private-sector businesses, nonprofit organizations, or public-sector departments alike.
