# GENERAL INFORMATION

## CLASS TIMES AND COURSE INFORMATION

### DISTANCE LEARNING

Amberton's distance learning courses are identical to classroom courses in terms of learning outcomes, competencies, and instructor expectations. A student choosing to take a distance learning course must have Internet access and be competent in using email and a browser. Students interested in enrolling in Distance Learning Courses must review the course syllabus before enrolling. For more information, see the University's catalog or the Distance Learning section on the website [www.Amberton.edu](http://www.Amberton.edu).

The Student Portal provides University students with access to many different educational tools and technologies to enhance their learning experience. These tools include access to an email system, research resources, course management system, and academic and financial information. Many of these tools allow students and faculty the opportunity to work together on completing various academic requirements. Additional information on the Student Portal is available on the University's website, [www.Amberton.edu](http://www.Amberton.edu).

### LECTURE COURSES

Monday, Tuesday, Wednesday and Thursday evening classes begin at 6:30 pm and meet weekly for approximately four hours.

Saturday classes begin at 8:30 am, unless otherwise noted, and meet for approximately four hours. Refer to the Academic Calendar and course syllabus for class dates for all lecture courses.

### THE ELECTRONIC DEGREE PLAN

Students can have Amberton University transcribed work and all transfer work electronically evaluated against any degree in the University's Catalog. The Electronic Degree Plan (EDP) produces a printout of satisfied degree requirements as well as requirements that may be deficient relative to the degree selected. The EDP allows a student to compare his/her academic accomplishments against any or all degrees in the catalog. The EDP analyzes a student's records and provides a printed report. See a University advisor for further information on obtaining an EDP.

### INCLEMENT WEATHER

The University will not broadcast class closings over radio or television. However, the University will announce any closing over its website. Usually, such an announcement will come no later than four hours in advance of the beginning of classes. For the most part, the University does not close unless conditions are extremely hazardous.

### COURSE SYLLABI

The course syllabi are accessible for downloading and printing in the Course Guide provided on the University's website, [www.Amberton.edu](http://www.Amberton.edu) under 'Programs and Courses.' ## PAYMENT TERMS

Amberton University's tuition is among the lowest in the region. The tuition rate is the same regardless of academic level or method of delivery (lecture or distance learning). Amberton does not charge a different tuition rate for out-of-state students.

Payment plans are available to students who demonstrate financial integrity to the satisfaction of the University. Students have the option of paying for their courses at enrollment, making payments throughout the session, or making one payment by the last day of the session. The University is also approved for Title IV Financial Aid and select private educational loans. Employer tuition assistance plans are accepted, with proper documentation. Student accounts are subject to a monthly finance charge of  $\frac{3}{4}$  of 1%. Please visit [www.Amberton.edu](http://www.Amberton.edu) for more information.

Payments can be made in the form of cash, credit cards (VISA, MasterCard, Discover Card, and American Express only), money orders, personal checks, company checks or cashier's checks. All payments submitted to the University must be received in U.S. funds.

## REFUND POLICY AND SCHEDULE

A student who officially drops a class during the first week of the session will be entitled to a full refund of tuition. Please read the current catalog for a complete discussion of the Refund Policy. A student who drops a class during this session will be refunded on the following schedule:

DATES	REFUND%
06/13/26 through 06/20/26	100%
06/21/26 through 06/27/26	80%
06/28/26 through 07/04/26	60%
07/05/26 through 07/11/26	40%
07/12/26 through 07/18/26	20%

There is no refund after **07/18/26**. The refund schedule is based on the beginning date of the session. Late registration and/or class absences are not considered exceptions to the refund policy. In the event a refund results in a credit balance on the student's account, the credit balance will remain on file until the student notifies the Business Office—in writing—of its disposition. Credit balances remaining on an account for a period of over 60 days will incur a maintenance fee. Refunds originating from a credit card payment may be credited only to the credit card account.

## ADDING OR DROPPING A COURSE (CLASS CHANGES OR WITHDRAWALS)

During the registration period, available courses can be added to your schedule or dropped from your schedule through the online registration portal (link on website and Student Portal). **To be official, when a schedule change is requested in the online registration portal, the 'Submit' button must be clicked. If the change is not submitted, your request(s) will not be processed and any pending class changes will be removed from the system after 48 hours and not processed by the University.**

Complete withdrawals from a session cannot be submitted online. All complete withdrawals must submit the 'Request for Change of Schedule' form available in the Schedule of Classes and on the University's website. A written notice including the student's name and signature, ID number, and course(s) to be changed can be submitted in place of the Change of Schedule Form. The notice may be submitted in a Student Services Office, mailed

to the University, faxed **(972-279-9773)** or emailed **([busoffice@Amberton.edu](mailto:busoffice@Amberton.edu))**.

Once the registration period has ended, all course withdrawals must be submitted in writing; withdrawals can no longer be processed through the online portal.

**NO change is accepted verbally.** The official date of the change is the date the University formally receives the written notice, NOT the postmark date or the date stated in the notice. The University's record concerning a change is indisputable unless the student can provide reliable evidence of an earlier receipt date.

Confirmation of the class change can be viewed in the online registration portal under the 'My Schedule' link once the University has processed the request or in the Student Services Online system inside the Student Portal. In the event the student does not see the course change within 3 working days, the student is to contact the University.

We are excited to announce some important changes to the **Marriage & Family Therapy and Clinical Mental Health Counseling Programs (formerly Professional Counseling)** that were implemented during the Fall 2023 session. These changes have been carefully designed to empower you to succeed in your program and chosen career. The key program changes are listed below.

## **Marriage and Family Therapy Program**

**NEW AMFTRB Practice Exam Pass Requirement:** The American Family Therapy Regulatory Board (AMFTRB) Practice Exam is designed to give candidates an opportunity to experience a simulated test and give an indication of their preparedness for taking the actual MFT Exam. This exam will also give candidates an opportunity to become familiar with the test questions on the National MFT Exam. All students must take and pass the AMFTRB practice test and earn a score of 66% or above prior to enrolling in CSL6839 Pre-Practicum. It is recommended that students take the test after successfully completing 30 hours of required curriculum. **Note: This is a practice exam, not the actual state exam required for licensure.**

**Portfolio Elimination: Preparation of the counseling portfolio will no longer be required.**

Detailed AMFTRB exam information is available on our website in the new Marriage & Family Therapy Handbook and on the AMFTRB Information Page. The sign-up deadline dates and form for the AMFTRB Exam are also located on the AMFTRB Information Page on our website.

## **Clinical Mental Health Counseling Program (Formerly Professional Counseling)**

**NEW CPCE Exam Pass Requirement:** The Counselor Preparation Comprehensive Examination (CPCE) is designed to measure a student's level of mastery of the requisite knowledge and skills identified by the Council for Accreditation of Counseling and other Educational Professions for the preparation of professional counselors. All students must take and pass the CPCE practice test and earn a score of 66% or above prior to enrolling in CSL6839 Pre-Practicum. (Sign-up by June 25, 2026 to test in the Summer if you plan to register for Pre-Practicum during the Fall 2026 session.) It is recommended that students take the test after successfully completing 30 hours of required curriculum. **Note: This is a practice exam, not the actual state exam required for licensure.**

**Portfolio Elimination: Preparation of the counseling portfolio will no longer be required.**

Detailed CPCE exam information is available on our website in the new Clinical Mental Health Counseling Handbook and on the CPCE Information Page. The sign-up deadline dates and form for the CPCE Exam are also located on the CPCE Information Page on our website.
