Have Questions Regarding Financial Aid?

Financial Aid

Amberton University offers Private Education Loans and participates in the Federal Pell Grant and Federal Direct Loan programs. Students who complete the 2026-2027 FAFSA (Free Application for Federal Student Aid) may be eligible for federal aid through the Department of Education's Title IV Federal Student Aid. The FAFSA must be completed online at StudentAid.gov, and place Amberton as a school of choice (our school code is 014925). Those who obtain a Federal Direct Loan for the first time at Amberton, will visit StudentAid.gov and complete the MPN (Master Promissory

Note) and Entrance Counseling. FSA requires all Official Transcripts on file prior to funding eligibility. Please visit the Amberton Financial Aid Handbook for more details and student responsibilities, especially attendance, along with the affects and dates of processing a withdrawal.

Please reach out to our Financial Aid department at FinAid@Amberton.edu or (972) 279-6511 ext. 173, with any questions. We are happy to assist.

Summer/Fall 2026 Graduation Ceremony

The Summer/Fall 2026 Graduation Ceremony will be held on Friday evening, November 20, 2026. Additional information regarding regalia, tickets and graduation times will be mailed out early in the Summer 2026 session.

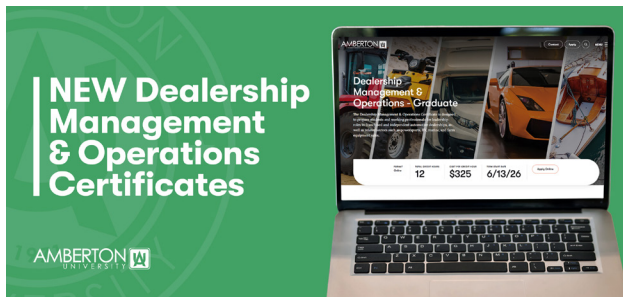

Sunnyvale First Baptist Church,
3018 North Belt Line Rd, Sunnyvale, TX 75182

All students majoring in the M.S. In Human Resource Training & Development must complete all degree requirements by August 31, 2027. If all degree requirements cannot be completed by the given date, the student must select a new degree.

Effective with the 2025 – 2026 University Catalog the name of the Master of Science in Managerial Science degree has been updated to the Master of Science in Organizational Leadership. The degree requirements will not be changing, only the name of the degree.

Professional Licensure Statements

Marriage and Family Therapy

The purpose of the Master of Arts degree in Marriage and Family Therapy is to provide the graduate with a comprehensive knowledge of the functional areas of marriage and family counseling including but not limited to the nature of the counseling profession and an understanding of life span development, as well as cognitive knowledge of counseling theories, concepts and principles of concern to the counseling professional. The program can be completed through on-campus attendance as well as a mix of on-campus and on-line courses. It cannot be completed 100% on-line. Students who complete the Amberton University Master

of Arts in Marriage and Family Therapy meet the academic requirements for becoming a Licensed Marriage and Family Therapist in the State of Texas. Students should carefully review the current state requirements for changes and updates. The Texas State Board of Examiners of Marriage and Family Therapists provides clear guidelines and requirements to apply for a new licensure. Questions regarding licensure should be directed to the Texas State Board of Examiners of Marriage and Family Therapists, <https://www.bhec.texas.gov/texas-state-board-of-examiners-of-marriage-and-family-therapists/index.html>. No determination has been made as to whether or not this degree meets requirements in any other state besides Texas.

Clinical Mental Health Counseling

The Master of Arts in Clinical Mental Health Counseling is designed for persons interested in becoming Licensed Professional Counselors (LPC) in the State of Texas. The degree prepares graduates to work with individuals, couples, families and groups in community, social service, religious and private practice settings. The curriculum is comprised of sixty (60) graduate hours and includes a minimum of 300 practicum hours. No student may enroll in a practicum course without completing all other degree requirements. Students who complete the program meet the academic requirements for becoming Licensed Professional Counselors (LPC) in the

State of Texas. The program can be completed through on-campus attendance as well as a mix of on-campus and on-line courses. It cannot be completed 100% on-line. Students should carefully review the current state requirements for changes and updates. The Texas State Board of Examiners of Professional Counselors provides clear guidelines and requirements to apply for a new licensure. Questions regarding licensure should be directed to the Texas State Board of Examiners of Professional Counselors, <https://www.bhec.texas.gov/texas-state-board-of-examiners-of-professional-counselors/index.html>. No determination has been made as to whether or not this degree meets licensure requirements in any other state besides Texas.

School Counseling

The Master of Arts in School Counseling prepares students to satisfy academic requirements for the Professional School Counseling Certification in the State of Texas. Admission to this program is available only to those students who satisfy the Program Admission Requirements. The program is comprised of 48 graduate hours and includes a minimum of 160 practicum hours. Students completing this degree and passing the TExES examination for School Counseling are eligible for employment as a school counselor in an educational setting. Graduates will be counselors, academic

advisors and advocates who create conditions of academic achievement for children in public and private schools. The program can be completed through on-campus attendance as well as a mix of on-campus and on-line courses. It cannot be completed 100% on-line. Students should carefully review the current Texas Education Agency (TEA) requirements for changes and updates. TEA provides clear guidelines and requirements for certification. For more information, visit <https://tea.texas.gov/texas-educators/certification/additional-certifications/student-services-certificates>. No determination has been made as to whether or not this degree meets licensure requirements in any other state besides Texas.

Professional Licensure Statements

Accounting Degree

Requirements for the Certified Public Accountant (CPA) license vary by state and involve more than successful degree completion. Candidates for licensure need to satisfy other requirements, including but not limited to completing an application, paying a fee, passing licensure exams, and work experience.

The BBA/MBA Accounting degree meets the education requirements of the Texas State Board of Accountancy Public necessary to register for the Certified Public Accountant examination. The 150-credit hour dual program can be completed 100% online. Students who complete the Amberton University Bachelor of Business Administration

in Accounting AND Master of Business Administration in Accounting meet the education requirements for becoming a Certified Public Accountant in the State of Texas. However, each student should carefully review the current state requirements of the Texas State Board of Public Accountancy for changes and updates. The Texas State Board of Public Accountancy provides clear guidelines and requirements to take the CPA exam and in applying for a new licensure. It is the sole responsibility of each student to satisfy each of the requirements of the State of Texas. Questions regarding licensure should be directed to the Texas State Board of Public Accountancy. <http://www.tsbpa.state.tx.us/exam-qualification/examination-overview.html>. No determination has been made as to whether or not this degree meets licensure requirements in any other state besides Texas.

Nursing Facility Administrator (NFA) Certificate

Students who complete the Amberton University Nursing Facility Administrator (NFA) Certificate meet the academic requirements for NFA Licensure in the State of Texas. Students should carefully review the current state requirements for changes and updates. Texas Health and Human Services provides clear guidelines and requirements to apply for new licensure. Questions regarding licensure should be directed to: <https://www.hhs.texas.gov/business/licensing-credentialing-regulation/long-term-care-credentialing/nursing-facility-administrators-licensing-enforcement>.

For students who are seeking NFA Licensure in another state, please visit the NAB website (<https://www.nabweb.org/home>) as well as your state's Health and Human Services website for specific licensure requirements in your state of residency.

Four practicum courses are available to students who wish to apply for NFA Licensure and need Administrator in Training (AIT) supervision:

No student may enroll in a practicum course without meeting the prerequisites.

- Administrator in Training Practicum I
- Administrator in Training Practicum II
- Administrator in Training Practicum III
- Administrator in Training Practicum IIII

Background Checks

In Texas, the Texas Health and Human Services Commission (HHS) mandates background checks for various individuals working or residing in child care and residential settings, foster homes, and adoption agencies. These checks are designed to ensure the safety and well-being of children by identifying individuals with criminal histories or child abuse/neglect records. The Centralized Background Check Unit (CBCU) conducts these checks, including fingerprint-based and name-based criminal history checks, plus checks of state and national registries for child abuse and neglect and sex offenders. Background checks are required for applicants.

For more information and next steps on submitting your background checks visit, <https://www.hhs.texas.gov/providers/child-care-regulation/child-care-regulation-background-checks/background-check-faqs/general-licensing#>. For all other states, we recommend you check the background requirements before pursuing licensure.

Consumer Information

Mental Health Importance

Amberton University recognizes the importance of good mental health for all. The University supports resources that promote the capacity for students and employees with mental health conditions to live lives that they value. Consistent with this philosophy, Amberton University believes that education and identification of mental health resources are critical first steps in achieving overall wellness.

Diminished mental health can interfere with optimal academic performance and life activities. If you or someone you know experiences any mental health concerns, you are strongly encouraged to utilize the resources provided below. These resources are provided in addition to any local resources available to you.

[988lifeline.org](https://www.988lifeline.org)

[Texas Behavioral Health Executive Council](#)

[Counselor Find | NBCC](#)

[Mental Health America](#)

[988 Suicide & Crisis Lifeline | SAMHSA](#)

[How To Get Mental Health Help | MentalHealth.gov](#)

[Call or text 988. You can also reach the Crisis Text Line by texting MHA to 741741](#)

Getting help is a smart and courageous thing to do — for yourself and for those who care about you.

Title IV – Consumer Disclosure Information

The following link contains consumer disclosure information related to cost of attendance, refund policy, transfer of credit policy, academic programs, and campus safety reports.

<https://amberton.edu/consumer-information-disclosures/>

Annual Safety Reports

The safety and security of Amberton University students and staff are of the utmost importance. These reports provide additional information on steps taken by the University to provide a safe and secure learning environment. Three years of crime statistics, reported to the University Administration and the Garland and Frisco Police Departments, for each campus location are included in the reports. Over the past three years one crime has been reported on the Garland Campus. Additional information is included on campus locations, drug/alcohol policy, and local resources available for victims of harassment, sexual assault and domestic violence.

Sexual Misconduct / Title IX Information

Title IX of the Education Amendments of 1972 prohibits sex discrimination, which includes sexual violence, in education programs and activities. Students, staff, faculty, and other employees have the right to pursue education, employment, and other activities free from sex discrimination, including sexual violence, sexual misconduct, stalking, and harassment. As part of Amberton University's overall ethical regulations, the harassment of any kind, including race, religion, sex, age, national and ethnic origin, or disability will not be tolerated. In particular, an atmosphere of tension created by ethical or religious remarks, unwelcome sexual advances, requests for sexual favors, or other conduct of a sexual nature does not belong in the institution or workplace. Click on the following link to review the complete Sexual Misconduct/Title IX Information Statements, including how to report an incident anonymously.
