For more information, see the University's catalog or the Distance Learning section on the website www.Amberton.edu.

The Student Portal provides University students with access to many different educational tools and technologies to enhance their learning experience. These tools include access to an email system, research resources, course management system, and academic and financial information. Many of these tools allow students and faculty the opportunity to work together on completing various academic requirements. Additional information on the Student Portal is available on the University's website, www.Amberton.edu.

LECTURE COURSES

Monday, Tuesday, Wednesday and Thursday evening classes begin at 6:30 pm and meet weekly for approximately four hours.

The EDP allows a student to compare his/her academic accomplishments against any or all degrees in the catalog. The EDP analyzes a student's records and provides a printed report. See a University advisor for further information on obtaining an EDP.

INCLEMENT WEATHER

Amberton University's tuition is among the lowest in the region. Undergraduate and graduate tuition rates are the same regardless of method of delivery or residency status.

Payment plans are available to students who demonstrate financial integrity to the satisfaction of the University. Students have the option of paying for their courses at enrollment, making payments throughout the session, or making one payment by the last day of the session. The University is also approved for Title IV Financial Aid and select private educational loans. Employer tuition assistance plans are accepted, with proper documentation. Student accounts are subject to a monthly finance charge of $\frac{3}{4}$ of 1%. Please visit www.Amberton.edu for more information.

Payments can be made in the form of cash, credit cards (VISA, MasterCard, Discover Card, and American Express only), money orders, personal checks, company checks or cashier's checks. All payments submitted to the University must be received in U.S. funds.

REFUND POLICY AND SCHEDULE

A student who officially drops a class during the first week of the session will be entitled to a full refund of tuition. Please read the current catalog for a complete discussion of the Refund Policy. A student who drops a class during this session will be refunded on the following schedule:

DATES	REFUND%
12/05/26 through 12/12/26	100%
12/13/26 through 12/19/26	80%
12/20/26 through 12/26/26	60%
12/27/26 through 01/02/27	40%
01/03/27 through 01/09/27	20%

There is no refund after **01/09/27**. The refund schedule is based on the beginning date of the session. Late registration and/or class absences are not considered exceptions to the refund policy. In the event a refund results in a credit balance on the student's account, the credit balance will remain on file until the student notifies the Business Office—in writing—of its disposition. Credit balances remaining on an account for a period of over 60 days will incur a maintenance fee. Refunds originating from a credit card payment may be credited only to the credit card account.

ADDING OR DROPPING A COURSE (CLASS CHANGES OR WITHDRAWALS)

During the registration period, available courses can be added to your schedule or dropped from your schedule through the online registration portal (link on website and Student Portal). **To be official, when a schedule change is requested in the online registration portal, the 'Submit' button must be clicked. If the change is not submitted, your request(s) will not be processed and any pending class changes will be removed from the system after 48 hours and not processed by the University.**

Complete withdrawals from a session cannot be submitted online. All complete withdrawals must submit the 'Request for Change of Schedule' form available in the Schedule of Classes and on the University's website. A written notice including the student's name and signature, ID number, and course(s) to be changed can be submitted in place of the Change of Schedule Form. The notice may be submitted in a Student Services Office, mailed to the University, faxed (**972-279-9773**) or emailed (**busoffice@Amberton.edu**).

Once the registration period has ended, all course withdrawals must be submitted in writing; withdrawals can no longer be processed through the online portal.

NO change is accepted verbally. The official date of the change is the date the University formally receives the written notice, NOT the postmark date or the date stated in the notice. The University's record concerning a change is indisputable unless the student can provide reliable evidence of an earlier receipt date.

Confirmation of the class change can be viewed in the online registration portal under the 'My Schedule' link once the University has processed the request or in the Student Services Online system inside the Student Portal. In the event the student does not see the course change within 3 working days, the student is to contact the University.

- B. Have successfully completed academic work from an accredited college or university,
AND
- C. Are in good standing from the last institution attended
OR
- D. Are a returning student after three years absence.

Complete the online application by clicking on the 'Apply button' on the University's website, www.Amberton.edu. A paper admission application can also be faxed, mailed or hand delivered to the University. No admission fee is required. Please note: Due to program delivery methods, not all degree programs are available to International students with F-1 status. Please consult with international student advisors prior to applying for admission. Because the admission application requires a social security number, please do not submit the application by email.

If you are applying for admission to pursue a Master of Arts School Counseling degree, you must also complete the School Counselor Certification Program Application, which is part of the special Admission application. The admission application can be completed online and is available in paper form on the University website, www.Amberton.edu. You must be admitted to the University and be formally accepted into the School Counselor Certification program prior to taking courses applicable to the degree.

International students should review the International Student Admission Requirements before applying for admission. The requirements are located on the University's website, www.Amberton.edu, and in the University's Catalog. If you have any questions, please contact a Student Advisor. **International students must complete a paper admission application.**

Students applying online will receive an email notifying them of their admission status. Within a

week, you will also receive a letter confirming this status along with your student identification number and additional information. Once you are admitted, you may register online for the upcoming session during open enrollment periods. Refer to the Registration Instructions on page 28 for assistance. Also, please email student advisors at Advisor@Amberton.edu, if you need any help with accessing syllabi, selecting courses, or registering for classes.

STEP TWO:

If you have not already done so, order and provide official transcripts from colleges and universities previously attended. Transcript request forms are provided for your convenience online and in the Student Services Offices. You can visit https://amberton.edu/wp-content/uploads/2023/04/Transcript_Other_School.pdf to "Request Transcripts from Other Institutions". As transcripts are received, they will be evaluated. A TCR for each transcript evaluated is accessible through the Student Portal. TCR's are used in the preparation of your degree plan. If you have any questions regarding your TCR, please email Advisor@amberton.edu.

Graduate students who have completed a standard graduate entrance examination (GRE, GMAT, MAT) in the last six years may want to provide an official copy of their scores (not required).

REGISTRATION INSTRUCTIONS

STEP ONE:

Review your degree plan, required courses, and the Schedule of Classes for available courses prior to enrolling. Review the syllabi for selected course(s). They are available on the University's website, www.Amberton.edu, under 'Programs and Courses' and the Course Guide. Once submitted online, your registration is completed and finalized. **There are no forms to sign and return to the University. If you will be paying in full for your charges and not deferring payment, the full payment is due before December 03, 2026.**
